Wasatch Mountain State Park, shown above, is the first up in a weekly Deseret News series that will look at Utah's State Parks. Each week's installment gives readers all sorts of valuable information on what to do, what to see and featured local events as well as facilities and fees.

RAY GRASS, DESERET NEWS

## Wasatch Mountain State Park Campfire Program

24 June 1992

On Friday, June 26, Larry Davis, from Anasazi Indian Village State Park, will be at the campground amphitheater demonstrating and talking about the Anasazi Indian culture. Mr. Davis will demonstrate primitive fire building and some of the weapons and tools used by the Anasazi Indians. Mr. Davis is a very knowledgeable and entertaining speaker and presents a very enjoyable program for people of all ages. The program will start at 7:30 p.m.

On Saturday, June 27, Jerry Springer will present a slide show called "The Fur Trade of The Intermountain West". Jerry Springer, a local historian, brings a lot of in-

formation and interesting facts about early life in the West and some of the characters who helped establish the West. The slide show will start at 9 p.m. in the amphitheater.

All campfire programs are free and everyone is welcome to attend. Programs may be cancelled due to bad weather. For more information, please call Wasatch Mountain State Park, 654-1791 or 654-3961.

## Wasatch Mountain State Park Campfire Program

7-1-92

On Friday, July 3, the State Park will host a campfire program on bird rehabilitation. Wild Redux, a non-profit organization that takes in injured birds and cares for them will be at the campgrounds am-

phitheater at 7:30 p.m. There will be some live birds at the program that have been rehabilitated. This is a great program for all family members.

On Saturday, July 4, at 9 p.m., in the amphitheater, Mark Palmer, from Hansen Planetarium, will present a slide show on the solar system. The slide show is made up of the most recent photographs taken of the different planets. Please make plans to attend.

### Midway City To Limit Outside Water Usage

Effective immediately homeowners with even house numbers will have their choice to water on even calendar days between 6 a.m.-10 a.m. or 6 p.m.-10 p.m. Uneven house numbers on uneven calendar days, choice of same hours.

All the campfire programs are done through volunteers who put in a lot of time and effort in bringing quality programs to the campground and surrounding community. These programs are free to everyone. For more information, please contact Wasatch Mountain State Park at 654-1791 or 654-3961. Programs may be cancelled due to bad weather.
